ABOUT THE SHOW:

Rodgers & Hammerstein's timeless musical Carousel comes to life in a new production starring Tony Award nominee Joshua Henry, Tony winner Jessie Mueller and Renée Fleming in her first-ever appearance in a Broadway musical.

Set in a small New England factory town, Carousel describes the tragic romance between a troubled carnival barker and the young woman who gives up everything for him. Elevated to an epic scale with a sweeping musical score and incandescent ballet sequences, this story of passion, loss and redemption introduced Broadway to a new manner of musical drama — one that "set the standard for the 20th century musical" (Time Magazine) and would captivate theatergoers for generations to come.
