### Friends of the Nutley Public Library Book Sale

Friday, April 27th &  
Saturday, April 28th

### A Message From the President of the "Friends" of the Nutley Public Library....

Well, winter started quite early and abruptly for us this year. But, whatever the weather may bring us over the next few months, we know that our Library will be there to see us through. We can look forward to concerts, book talks, knitting and scrabble. You will be able to download a book to that new e-reader you may receive as a gift or borrow one of the new iPod books. A quote by that infamous author Anonymous reminds us that even through the dreary days of winter, "The more you read, the more you know, the more you know, the more you grow."

In closing, I wish to take this opportunity to thank our wonderful Director, Sarah Lester as she moves on to a new position closer to her home. Sarah's innovativeness and abounding energy has brought so much to our Library. She will be missed, but we wish her well and hope she will remain part of the "Friends of the Nutley Library."

-Barbara Hirsch, President
