## Message from our Director

What a great year! 100 years of library service. The Nutley Public Library is the heart of the Nutley community.

The library has become many things to the many people who pass through our doors. It has always been our goal that each person who enters the library leaves with the information they wanted.

I feel a great sense of pride in our accomplishments. I am pleased that the library can provide the community with traditional and electronic library services. We will continue to provide the traditional services that our patrons have come to expect, such as books, magazines, CDs, DVDs, audiobooks, story times, the Summer Reading Club, book discussion groups, ESL instruction, exhibits, and concerts. We will provide these traditional services but keep current with the latest technology. Check out the library web site, and follow us on Twitter, Facebook, and Instagram.

A vibrant library, like the Nutley Public Library, reflects well on the entire community.

-Maria LaBadia, Library Director

## Message from the Friends of the Nutley Library

It seems like only yesterday when we were planning events to commemorate the 100th anniversary of The Nutley Public Library. We have certainly enjoyed those events during the last several months and we look forward to the culmination of the celebration at a fantastic gala on November 15, 2014. The Friends again sponsored the most successful summer reading program for children, a number of concerts, book reviews, and lectures, as well as excursions to the theater. Our Book Sale is always greatly anticipated and truly a highlight of the Fall season. Please join us for an exciting array of programs. We are Friends of the Library who are always looking for more friends. Anais Nin reminds us that "Each friend represents a world in us, a world possibly not born until they arrive, and it is only by this meeting that a new world is born."

-Barbara Hirsch, President

## A Special Note

To commemorate our 100th anniversary, a beautiful limited addition ornament is available. Please ask to see it on your next visit to the library. It will be a cherished addition to your "Nutley Memories."
