A Day Filled with Panels, Crafts, Games, and Giveaways!
The Library is run by a Director and a great staff. There are also volunteers who help out at the Library. I want to tell you about two people who do so much for our Library, Barbara Hirsch and Tony Iannarone. Barbara is a retired teacher. She is the President of our Friends of the Library group. The Friends help support the Library. They raise money for programs such as the Summer Reading Club and the Children’s Holiday program. They bought new furniture for the Children and Teen Rooms as well as new chairs in the Adult areas. They also fund special book collections such as the phonics collection and foreign language. They raise money through two book sales, an author tea, trips and other events.

Tony is a retired lawyer. He was appointed to the Library Board of Trustees in 1972 and has been President of the Board since 1987. The Library Board sets policy and long term goals for the Library. Tony is an advocate for the Library - he meets with community groups, obtains adequate funding for the library and works with the Mayor and Commissioners. He leads the monthly Library Board meetings.

The Library staff, patrons and the Nutley community appreciate the tireless work of these two individuals.

Message from the Friends of the Library
After an exciting centennial year, we look forward to continuing the positive momentum as spring approaches. The “Friends” will be attending a Broadway show and sponsoring many exciting programs at the Library. Our annual author tea promises some surprises and a special family event is in the planning. We look forward to your active participation. The winter has been long and now it is time for renewal of friendships as well as activity.

"And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had the familiar conviction that life was beginning over again with the summer."
