## A Message from Our Director

Although we celebrate September as Library Card Sign Up Month, *anytime* is the right time to get a library card. Consider these interesting facts about libraries:

There are more public libraries than McDonald's or Starbucks in the United States. There is a total of 16,766 public libraries including branches.

Americans spend \$35.81 a year for the public library –about the average cost of one hard cover book.

Americans spend nearly 3 times as much on candy as they do on public libraries.

58% of adults in the US have public library cards. We check out more than 8 books a year, on the average.

Libraries are alive and well in 2017. And the Nutley Public Library is busier than ever! 65% of Nutley's 28,370 residents have library cards. In 2016, our total circulation was 259,986 items; our customer counter logged 180,207 library visits; we answered 60,424 reference questions; and we hosted 967 programs. Our educational, cultural and entertainment programs offer something for everyone. Check out the varied events offered in this newsletter and join the 8305 children, 4367 adults and 649 teens who attended our programs last year.

As we enter the library's busy autumn season, I look forward to seeing familiar faces, and also many new ones. Let's raise that percentage of Nutley library cardholders – tell your friends and neighbors who have yet to join the library to sign up for a library card and discover just what they have been missing!

To paraphrase Dr. Seuss,

*We're off to great places,*

*Today is our day,*

*Our mountain is waiting,*

*So let's get on our way!*

The Friends of The Nutley Library starts off the fall season with a bevy of activities beginning with a trip to New York to see the Broadway hit *Come From Away* on September 20. We sponsor Library Card Sign-up Day at the library and honor our fantastic Nutley Fire Department on September 30. We look forward to the holidays with a glass painting party at Pinot's Palette on October 4. An amazing exhibit by renowned photographer Denise Marando is on view at the library on October 18. This Nutley native will peak our visual senses with a wide array of photographs featuring scenes from local venues. (What a great holiday gift!)

We look forward to our semi-annual Book Sale on October 26, 27 and 28 where there are always surprises to enrich our home libraries. Our annual Book Fair at Barnes & Noble in Clifton Commons is on November 18, followed by holiday gift wrapping there on December 23.

Our mountain is waiting and we're ready to get on our way. Please watch the library website for further information.
